

UHC_MMC_Social_Which Medicare Plan to Choose Help_FINAL_wAudio track.mp4

An illustrated blue computer screen and keyboard sit on a white background, with a blue potted plant on the left edge. White and gold text fill the computer screen.

ON SCREEN TEXT: Medicare coverage
should fit YOUR
unique health and
lifestyle needs.

New text fills the computer screen with a button labeled "Get Started."

ON SCREEN TEXT: Answer each of these
questions to help
guide your choice.
Get Started

*A white cursor clicks the button. The computer screen grows larger to fill the whole frame. On a blue background, a white heading sits over a white box with buttons labeled "Yes" and "No." Behind the box, illustrated *R* bottles decorate the screen.*

ON SCREEN TEXT: Do you take prescription drugs?
Yes No

The cursor clicks "yes," highlighting the button in blue, and blue and black text slides onto the box underneath the buttons.

ON SCREEN TEXT: You will want a Medicare plan that provides drug coverage.
Option 1
A Medicare Advantage plan
that includes drug coverage.
Option 2
A standalone Medicare
Part D prescription drug plan.

The cursor clicks "No," and new text slides onto the box.

ON SCREEN TEXT: Ok, but be aware:
You could face a Part D late enrollment penalty if you...
1: Don't enroll in either a Part D plan or
Medicare Advantage plan with prescription drug
coverage when you're first eligible.

The text slides to the left to reveal the rest of the answer.

ON SCREEN TEXT: OR

ON SCREEN TEXT: 2. Don't have creditable drug coverage that qualifies you for a Special Enrollment Period.

The word "Next" appears underneath the white box and the cursor clicks it.

ON SCREEN TEXT: Next

A new heading and box appear and the cursor clicks "Yes." Graphics of a hearing aid, eye, walking person, and tooth appear in the background.

ON SCREEN TEXT: Do you want coverage for dental, vision, fitness or hearing?
Yes No

The answer slides onto the box in blue text.

ON SCREEN TEXT: Medicare Advantage plans offer additional health benefits like these.
Non-Medicare insurance products may offer coverage for this at additional costs.

The cursor clicks "No," and the "Next" option appears.

ON SCREEN TEXT: Ok, you don't need to consider these when choosing your plan then.
Next

After the cursor hits "Next," graphics of a male and female doctor with stethoscopes appear in background along with a new box and heading.

ON SCREEN TEXT: Do you visit the doctor often?
Yes No

The cursor clicks "Yes."

ON SCREEN TEXT: Frequent visits can get costly. With any plan, you have to pay the Part B premium. Depending on the plan, you may also have to pay the Part B deductible and other costs such as copayments

or coinsurance.

The cursor clicks "No."

ON SCREEN TEXT: After you meet the Part B deductible...
With Original Medicare, you are responsible for
20% of the allowed amount for most doctor services.
A Medicare Supplement plan may help cover this cost.

ON SCREEN TEXT: With most Medicare Advantage plans, you pay
a small copayment for each doctor visit.

ON SCREEN TEXT: It's a good idea to evaluate the costs for the
health services you will need under each
plan you consider.
Next

The cursor clicks "Next." A new heading and box appear with dollar bill graphics in the background.

ON SCREEN TEXT: Is paying for Medicare a concern?
Yes No

The cursor clicks "Yes."

ON SCREEN TEXT: There are a variety of financial assistance programs
available. Visit www.MedicareMadeClear.com
to learn more.

The cursor clicks "No."

ON SCREEN TEXT: It's a good idea to consider your total Medicare
costs and look for ways to save where you can.

Solid dark blue wipes onto the screen with twinkling stars in the background. White text sits at center.
